**ORDER APPROVING TARIFF**

Issue Date: June 7, 2005

Effective Date: June 12, 2005

On May 20, 2005, SBC Long Distance, LLC, d/b/a SBC Long Distance, filed proposed tariff sheets and a motion for expedited treatment. SBC Long Distance indicates that the purpose of the tariff filing is to introduce a new long distance offering, Business Domestic Saver 15 Prime<sup>sm</sup>. Although the tariff sheets bear an effective date of June 19, the company requests that the Commission approve the tariffs to become effective no later than June 12.

On June 2, the Commission's Staff filed its Recommendation and Memorandum. Staff indicates that the Business Domestic Saver 15 Prime<sup>sm</sup> service is part of a national SBC Long Distance rollout scheduled for June 12. Staff also notes that the new service offering will allow customers to choose a custom combination of domestic 1+ outbound service, switched toll-free service, or the calling card Flat Rate Business Optional Calling Plan. The customer will be required to use switched access to either reach the long distance network for domestic 1+ calling or to receive toll-free in-bound calls. In addition, the customer will be required to commit to a \$15 minimum monthly charge for either a

one-year or two-year term, and must continue to subscribe to and maintain one of certain specified service provisions.

According to Staff, SBC Long Distance is not delinquent in filing an annual report or in paying its assessment to the Commission. Staff also states that the tariff filing and motion for expedited treatment were filed as soon as they could have been, and that there will be no negative effect from an early effective date. Staff therefore recommends that the Commission approve the proposed tariff to be effective on June 12, 2005.

The Commission has reviewed the proposed tariff sheets and Staff's recommendation. Based upon the recommendation of its Staff, the Commission finds that the proposed tariffs should be approved. The Commission also finds good cause to approve the proposed tariff on an expedited basis.
